

# HYDRAULIC HOSE ASSEMBLY

# ONCE AGAIN AHEAD OF THE GAME

## Introducing the new line of CTP Hydraulic Hose Assemblies

With a great team of researchers and developers, CTP is proud to introduce the new line of CTP Hydraulic Hose Assemblies with permanently crimped couplings.

Currently with a substantial range of part numbers of Hose Assemblies in our system, we are sure to have what you need.

The Hose Assembly range we cover is as follows:

- » Hoses of up to 2 1/2" in diameter
- » Low and Medium Pressure Hoses
- » Brake Hoses
- » Thermoplastic Hoses
- » Air Conditioning Hoses
- » Teflon Hoses
- » High pressure hoses made from
  - » 100R12
  - » 100R13
  - » 100R15

**Please allow 4 days of lead time to complete your order.**

**Orders should be made before 2pm EST.**

**Because the Hydraulic Hoses are custom made they are not returnable items.**
