CTP LINER KITS

increase your productivity

Use the PISTON No. to identify the Liner Kit
(Kit No. = Piston No. + LK)

CTP Liner Kits

At CTP we know that instead of a complete engine overhaul, simply replacing your piston and liners may be all that is required to restore your engine's performance. Our CTP Liner Kits come complete with the piston, pin, liner, gasket kit, rings, retainers and seals (where required) that you need to improve your productivity.
