

DIESEL ADDITIVE

Advantages of CTP Diesel Power™:

At CTP® we believe that the money you save with New CTP® Replacement Parts for use on Caterpillar® equipment can give your business the competitive edge needed in today's price sensitive markets. Why settle for used, rebuilt, or remanufactured parts, when you can buy new quality replacement parts from CTP®? Whether it is for your tractor, diesel truck, engine, or excavator, CTP® quality replacement parts are there to provide the value you demand for your money.

Water is welcome almost everywhere except in your diesel fuel engine. Water in diesel fuel severely damages injectors, corrodes tanks and fosters the growth of bacteria. Our highly concentrated Diesel Power™ is also an all in one package which contains lubricity. Increase your engine's performance by giving Diesel Power™ a place in your engine **today**.

Part No: 3081504

- » **Totally disperses water for complete combustion**
- » **Contains lubricity additives**
- » **Contains cetane improvers**
- » **Eliminates the formation of algae and harmful acids**
- » **Stabilizes fuel**
- » **Decarbonizes combustion chamber**
- » **Cleans injection system**
- » **Reduces exhaust smoke**
- » **Prevents icing**
- » **Improves fuel economy**
- » **Contains no alcohol Mining**
- » Dispersa totalmente el agua para una combustión completa
- » Contiene aditivos de lubricación
- » Elimina la formación de algas ácidas dañinos
- » Lubrica las pareded cilíndricas para prevenir la corrosión de metales que están en contacto con combustible diesel
- » Mejora el ahorro de combustible
