

# THERMOSTATS

## CTP Thermostats -

CTP thermostats are manufactured with the heavy duty engine applications in mind to ensure proper performance and durability individual to each application.

Some of the features found on our thermostats are:

- ✓ Stainless steel sleeve withstands corrosion
- ✓ Sleeve and valve are lapped to offer low leakage
- ✓ Individual calibration and wax actuators allow for a superior response time

Application	Part No.
3056	4W8063
3066	5I8010
3116	1193075
3204	4P6616
3204	4N0236
3054, 3054C	2202748
3054C, C6.6	2542267
3114, 3116	1265869
3116, 3208	9N5121
3116, 3208	9N6341
3176, 3306, 3406	7C3095
3304, 3306	1118010
3304, 3306	2Y5713
3306, G3612, C15	2477133
3508, 3512, 3516	7W0371

Application	Part No.
3512C, 3516C	2193240
3516, 3512	6I4950
3606, 3608, 3612	6I4951
44H, D4D	9S3808
966C	2S4044
C7	1154223
D342, 1693	1209453
D346, 3406, 3408, 3412	4W4794
D353	6N4540
G3306	1167577
G3606, G3616	6I4952
G3612	1223821
G3616	6I4953
G3616, G3612	1429675
