

# HYDRAULIC MOTORS

CTP hydraulic motors offer reliability and performance at the toughest work environments.

## The Hydraulic Fan Motors

CTP Hydraulic Fan Motors are reliable even in the most extreme working conditions.

- ✓ Allow the fan speed to be independent from the engine speed. The fan speed is controlled to maintain the speed that provides the most efficient speed for optimum performance.
- ✓ Controls coolant temperature
- ✓ Provides cooling control of hydraulic fan drives and idles the fan to avoid excess power consumption and offer fuel savings.
