

3046 CYLINDER HEAD

Just arrived! our new 3046 Cylinder Heads for the very popular 315C, 317B LN, 318B excavators and D3G, D4G, D5C III, D5G dozers.

Our #**2465432** bare Cylinder Head, for repairs where re-usable parts are swapped over from the original cylinder head. In addition to the bare cylinder heads we offer a complete inventory of new replacement valvetrain parts for the 3046 engines to complete the job.

We also offer the complete cylinder Head #**1068249** fully built, ready to install. The heads are assembled using blueprinting methods; where all the parts and components are checked for fitment prior to assembly. All our cylinder heads are checked for dimensional accuracy, straightness and surface finish. The valve seats are micro-finished, and the assembled cylinder heads are vacuum leak tested to assure a positive valve to seat seal.

- Cylinder Heads are assembled with new and improved castings
- Assembled Cylinder heads are sold complete with all new parts
- High-quality replacement at a fraction of the cost
- CTP Cylinder Heads have an industry leading 1-year Warranty
