

NEW FEATURES ON OUR CTP ONLINE SYSTEM

At CTP we are always looking for ways to improve our customers experience. For this reason we have implemented two new features to facilitate your online orders.

- 1. Select Branch to Quote:** You may now select which branch you want to quote from at the beginning. Check availability from your most convenient location Miami, Dallas or both branches at the top of the page.

2. Price Inquiry: You are now able to quote for parts faster than before. Now, when you click on price inquiry a new window will open.

A screenshot of a web form titled "Price Inquiry". The form has a light gray background. At the top, the title "Price Inquiry" is centered in a large, bold, black font. Below the title, there is a label "Part # :" followed by a white text input field with a blue border. To the right of the input field are two yellow buttons with black text: "SEARCH" and "EXIT". Below this, there is a label "Description" followed by a long white text input field.

In this window you will be able to quote for parts one after the other.

A screenshot of the "Price Inquiry" form with data entered. The title "Price Inquiry" is centered at the top. The "Part # :" label is followed by a white input field containing the text "CTP907C" in blue. To the right are "SEARCH" and "EXIT" buttons. The "Description" label is followed by a white input field containing "MID-HIGHBACK SEAT W/O ARM REST" and a red circular icon with a white camera symbol. Below the form is a table with the following data:

Loc	Price	Available	Backorder	Production
Miami Stock	\$185.00	7	0	(00/00/00)
Dallas Stock	\$185.00	0	1	(00/00/00)

Once you have entered the part number it will remain highlighted in blue. When the next part number is entered the old one will be erased automatically.
