

GREASE GUN KIT

The CTP Grease Gun kit has everything you need to lubricate your machine, all conveniently packed in one portable case.

The newly improved CTP grease gun now features a **Piston Lock** that eliminates the pressure that causes grease to spill while it is not in use.

Other features of our Grease Gun Kit are:

1. A **TWIN-LOCK-System Grease Gun** that ensures the grease reaches the lubrication point to avoid dummy lubrication.
2. One **high pressure hose** that connects the grease gun to the lubrication point.
3. An **extension tube** that allows you to adjust the bent connector to the desire pointing direction.
4. An assortment of the 5 most popular sizes of **interchangeable fittings**.
