

PINS & SHAFTS FOR KOMATSU®

CTP Pins are engineered with exact precision, boasting enhanced internal hardness for superior durability and prolonged lifespan. Crafted from high-grade alloy steel, each pin undergoes rigorous induction hardening, fortifying it against severe wear and safeguarding against corrosion. These heavy equipment pins stand as a testament to reliability, ensuring optimal performance even in the most demanding conditions.

PINS

Part No.	Application	Equipment
09244-03036	BACKHOE BUCKET	D475A, PC350, PC400, PC450
13F-Z27-5610	DOZER ARM AND BRACE	BF60, D50A, D50P, D50PL, D53A, D53P, D58E, D58P, D60A, D60E, D60P, D60PL, D61E, D61EX, D61PX, D63E, D65A, D65E, D65EX, D65PX, D65WX
